Highlight: One of the Eight Wonders of the World: Perito Moreno & Upsala Glaciers

Day 1: Los Angeles - Santiago

Depart Los Angeles for an overnight flight to Santiago, Chile.

Day 2: Santiago

Morning arrival in Santiago this morning. Warm welcome and greeting from our professional guide. Today's sightseeing will include La Moneda, the official Government Palace, the Cathedral, National Museum, and nearby San Cristobal Hill with its landmark statue of the Virgin Mary. Your tour ends at the Plaza de Armas, the main square, with a visit to the 18th-century Cathedral. Dinner a local restaurant with show.

Day 3: Santiago - Punta Arenas - 5 Days - 4 Nights MS Mare Australis Cruise (Dinner on Board)

After breakfast, you will be transferred to airport for flight to Punta Arenas, a Chilean city along the famous and mysterious Straits of Magellan. During the flight, you will see the indomitable

Andes Ranges, dark green plain, deep blue lakes and ice-capped Villarica volcano. On the right side, it is the Magellan Strait with archipelagoes dotted in the channels; on the left hand side, it is the Patagonia. Before arrival, passengers will find one of the exciting tourist attractions, Torres del Paine. Punta Arenas is a city with 150,000 inhabitant; most of them are the descendants of Span, Yugoslavia, German and Italy; and is the southernmost city of Chile, overlooking the Straits of Magellan. Meet arrival and transfer to the pier where MV Mare Australis docks for registration:

Embarkation: 6 pm to 7 pm

Before sailing: Captain's Cocktail Party

Set sail: 9 pm

Meals: Meals on board

Remarks: The cruise ship meets all international requirements and safety standard with luxury equipment and services. The cruise will begin travel through the water of Magellan Strait to the Antarctic in the south.

*MV Mare Australis *

Length: 233 feet

Width: 42 feet

Deck: 4 decks

Cabins: total 63 cabins

Passengers: 129 persons

Crews: 40 persons

1721 West Garvey Ave., 2nd Fl., Alhambra, CA 91803

Tel: (626) 282-9988 • Fax: (626) 282-9889 • Toll Free Tel: (800) 888-9168

Day 4: Cruise: Ainsworth Bay - Marinelli Glacier - Tucker Islet (Meals on board)

With the first light of dawn, navigation will continue through Almirantazgo Fjord. We will disembark at Ainsworth Bay near Marinelli Glacier, where we will take a walk to tour the Beaver Dam and Magellan Forest. Passengers will see a colony of sea elephants at close encounter. In the afternoon, you will approach Tucker Islet with a zodiac boat ride to the shore to admire a small colony of Magellan Penguins. You can also see other bird species such as Skuza and Cormorants. The presence of dolphins and sea lions are likely in and around this water.

Day 5: Cruise: Beagle Channel - Pia Glacier - Glacier Alley (Meals on board)

This morning the ship cruises through the water of O'Brien Channel, Desolation Bay and Balleneros Channle. Then enters into the Beagle Channel. We will navigate the main part of the Beagle Channel to enter Pia Fjord and disembark near the glacier of the same name. We will take an excursion to a look-out point that is ideal for viewing the impressive snow-covered mountains of the Darwin Range where the glacier originates, and its flow all the way to the sea. After this unforgettable experience, we will sail again along the northwest arm of the Beagle Channel through the magnificent "Glacier Alley": Spain, Romanche, Germany, Italy, France and Holland glaciers.

Day 6: Cruise: Beagle Channel - Murray Channel - Cape Horn (Meals on board)

We will sail through the Beagle and Murray Channels to disembark at Cape Horn National Park. Cape Horn, a sheer, almost 425-meter-high promontory, where the Atlantic and Pacific Ocean merge, was discovered in 1616 by the Dutch commercial expedition organized by Isaac Le Maire. The Cape owes its name to the Port of Hoorn (Dutch for Horn), the expedition's departure point.

Day 7: End of Cruise - Tierra del Fuego (land of Fire): Ushuaia - El Calafate (Breakfast on board, Lunch & Dinner)

In the morning, the ship arrives and docks at **Ushuaia**, the most important Argentine city in Tierra del Fuego, and the southernmost city in the world. Passengers will disembark at 8:00a.m. Ushuaia is on the shores of the Beagle Channel and surrounded by the Martial Mounts. It is the provincial capital of Tierra del Fuego and is a very important and of Argentina. Visit the Tierra del Fuego National Park after meeting service at the pier. Tierra del Fuego is a place of extremes: the world's southernmost national park accessible from the world's southernmost city. This park is Argentina's only coastal national park, and water is a prime attraction: fishing, kayaking, maritime wildlife, stunning fjords, transcendent seascapes. The coastal wildlife is rich and diverse, many sea birds, seals and walrus. In the interior, North American beavers, Arctic reindeer, and European rabbits, the native duck and geese, and their natural predators, native foxes, etc... After lunch, transfer to airport for departure to El Calafate. Meet arrival and transfer to hotel.
